2013 HIGHLIGHTS

Newport Hospital & Health Services Foundation

- The popular *Heart-to-Heart Tea Social* welcomed back guest cardiologist Dr. Dieter Lubbe of Spokane Cardiology to a packed crowd. Held in April, this year's event focused on diet and exercise to increase overall heart health.
- April's *Healthy Habits, Healthy Lives Wellness Fair* ushered in the entire community for a day of health lectures, activities, and vendor booths. Two new bicycles were given away to two lucky children, and fun was had by all!
- The 6th Annual *Fore! the Health of It Golf Tournament* raised money for the Foundation's *Healthy Kids Snack Bag* program. With total funds over \$25K, this year's event was the most successful in Foundation history.
- The 6th Annual *Newport Autumn Bloom 5K/10K Fun Run* welcomed serious and recreational runners and walkers from all over the Northwest to the annual second seed Bloomsday qualification race. Six 10K runners qualified for the coveted 2014 Bloomsday second seed placement.
- The 2013 *Festival of Trees* in December kicked off the 2014 fundraising focus at Sadie Halstead Middle School in Newport, WA. A record number of tree raffle tickets were sold to raise money in support of the Foundation's *Healthy Kids Snack Bags* program. Daytime events included tree viewing, free Santa photos, kids' crafts, cookie decorating, and festive entertainment. Evening events boasted a prime rib dinner, live music, tree raffle, and recognition. With 17 trees in all (the most ever!) and many fabulous sponsors, the event grossed over \$16,000.

That's never a good sign.
It's deeper than it looks.
