Making a difference in our community...

Newport Hospital and Health Services Foundation
2015 Annual Report
2015 Highlights

Newport Hospital & Health Services Foundation

The **2nd Iron Sommelier & Brewmaster Event** moved to the Priest River Event Center in 2015 to accommodate a sold out crowd. Guests enjoyed live music by Scotia Road and the opportunity to taste gourmet food with “expertly” paired wines or micro brews. Winners were Jason Clark (Click Distributing) and Selkirk Abbey.

Reach Out and Read launched in our primary care clinics under the direction of Geoff Jones, MD. This parenting and early literacy program helps children be ready for kindergarten by partnering with doctors to prescribe books and encourage families to read together. Doctors and physician assistants incorporate Reach Out and Read’s evidence-based model into well-child checkups from ages 6 months through 5 years.

In May, the Foundation introduced a new event, the **Rural Conference on Aging**. This free conference at the Priest River Event Center provided 200 attendees with valuable information from vendors and expert guest speakers.

The **8th Fore! the Health of It Golf Tournament** at StoneRidge Golf Course raised money for Healthy Kids Snack Bags and Reach Out and Read.

The **8th Newport Autumn Bloom 5K/10K Fun Run** welcomed serious and recreational runners and walkers from all over the Northwest. One female and one male 10K runner qualified for the coveted 2016 Bloomsday second seed placement.

In October, the Foundation kicked off its first **Women’s Health Seminar** at the Priest River Event Center. The event pampered the attendees with a gourmet lunch, gifts and instruction for heart health, diet, and life balance.

The **Festival of Trees** in December kicked off the 2016 fundraising season at Sadie Halstead Middle School in Newport, WA. Daytime events included tree viewing, free Santa photos, kids’ crafts, cookie decorating, and festive entertainment. The Evening Social boasted a gourmet buffet, live music from Heartbreak Pass, and the tree raffle. With 15 raffle trees and many fabulous sponsors, the event grossed around $16,300...a record for this event!

*Includes Non-Event Grant Funding Received in 2015 by:
- Food for Our Children ($5,000)
- Priest River Community Foundation ($1,000)

Note: Does not include Foundation Director salary/benefits.
**NEWPORT HOSPITAL & HEALTH SERVICES FOUNDATION**

**Contribution History**

**RIVER MOUNTAIN VILLAGE ASSISTED LIVING WALKING PATH...$15,675**
Constructed in 2008, this paved walking path is treasured by residents of River Mountain Village.

**DEXA SCAN BONE DENSITY SCANNER...$12,000**
Purchased in 2009, this machine performs the most commonly used test for measuring bone mineral density. It is one of the most accurate ways to diagnosis Osteopenia or Osteoporosis.

**GLIDESCOPE VIDEO LARYNGOSCOPE...$10,000**
This illuminated intubation device was purchased in 2010 and is currently used in our Surgery and Emergency Departments. This scope provides a consistently clear, real-time view of the airway and tube placement, enabling quick intubation.

**DIGITAL MAMMOGRAPHY MACHINE...$45,000**
This state-of-the-art machine was purchased in 2011 and allows us to screen for early detection of breast cancer.

In 2012, the Foundation partnered with Healthy Newport to promote healthy living in the community.

In 2012, the Foundation contributed over $4,300 to provide healthy snacks to local school children at Stratton Elementary in Newport. By fall of 2013, the Foundation fulfilled its promise to the community and expanded deliveries to include the following communities of Cusick, WA; Oldtown, ID; Priest River, ID; Priest Lake, ID; and Newport, WA. In 2014, the Foundation included snack deliveries to the Kalispel Career Training Center (KCTC), and continued with the five-school distribution area. Foundation events and specific grants helped sustain the program for another year.

**REACH OUT AND READ...$909**
In 2015, Dr. Geoff Jones spearheaded this project to promote pre-school literacy. Children (birth to age 5) receive new books during their well child visit in our primary care clinics.
