Shriners Hospital Clinic in Newport

NEWPORT – Newport Hospital and Health Services will host a free clinic with the Shriners Hospitals for Children on Saturday, October 25th from 10 AM to 2PM (located inside Family Health Center). Shriners Hospitals deliver care, free of charge, to children up to age 18 who are suffering from burn injuries and varying orthopedic and neuromusculoskeletal disorders and diseases. Initial assessments will be conducted at Newport Hospital; if accepted for Shriners' services, follow-up treatment will be held at the Spokane Shriners Hospital.

No appointment is necessary for the free clinic. For more information, please contact Dale Cooper (509-325-1536) or Carl Justice (509-276-6648). You may also visit the Shriners' website at <http://www.shrinershospitalsforchildren.org>.
