### New Faces in the Emergency Department

**Aaron Petersen, MD**  
Dr. Aaron Petersen served as a United States Air Force physician for over a decade before joining our team. While in the Air Force, Dr. Petersen was flight physician for the B-1 aviators and deployed twice with the squadron in support of Operation Enduring Freedom. He also worked in family medicine and pediatric clinics.

Dr. Petersen received his medical degree from Medical University of Ohio. He is married with five children ranging in ages from 4 to 15 years.

**Curtis Gill, DO**  
Dr. Curtis Gill joined us from Mobile, Alabama in October. He is a longtime instructor with the American Heart Association and truly loves teaching. His hobbies include snowboarding, juggling and entomology (the scientific study of insects).

Dr. Gill completed his Family Medicine Residency with University of South Alabama and his medical degree with Lincoln Memorial University DeBusk College of Osteopathic Medicine. He is married with two fur-babies (a cat and a dog).

## DELIVERING WHAT MATTERS

*Most...*

Since 1921, Newport Hospital and Health Services providers have delivered generations of babies in our community.

Trusted physicians, expert anesthesia and personalized labor nurses provide the care and attention mothers need when delivering their babies. Private birthing suites with jetted tubs and showers create the perfect environment for labor and delivery.

Call (509) 447-6398 to schedule childbirth education classes or for a tour of the Birthing Unit. Visit our web nursery at [NewportHospitalAndHealth.org](http://NewportHospitalAndHealth.org)
