**YOUR NHHS FOUNDATION DOLLARS
ARE AT WORK LOCALLY!**

- ◆ **River Mountain Village Assisted Living Walking Path** - Constructed in 2008, this paved walking path is treasured by residents of River Mountain Village.
- ◆ **DEXA Scan Bone Density Scanner** - Purchased in 2009, this machine performs the most commonly used test for measuring bone mineral density. It is one of the most accurate ways to diagnosis Osteopenia or Osteoporosis.
- ◆ **Glide Scope Video Laryngoscope**- This illuminated intubation device was purchased in 2010 and is currently used in our Surgery and Emergency Departments. This scope provides a consistently clear, real-time view of the airway and tube placement, enabling quick intubation.
- ◆ **Digital Mammography Machine** - This state-of-the-art machine was purchased in 2011 and allows us to screen for early detection of breast cancer.
- ◆ **Heart Healthy Tea Social** - In April of 2013, the Foundation partnered with *Healthy Newport* to host a community tea social with guest cardiologist, Dr. Lubbe.

WHAT IS THE CURRENT NHHS FOUNDATION FUNDRAISING PROJECT FOR THE COMMUNITY?

- ◆ **Healthy Kids Snack Bags** - The NHHS Foundation adopted the *Healthy Kids Snack Bags* program in 2012. Through continued fundraising support, the Foundation was able to expand this service and now serves elementary school children from Newport, Cusick, Priest Lake, Priest River, and Oldtown. Newport Hospital and Health Services Foundation also provides weekly health/nutrition education materials in each child's snack bag.
- ◆ **Reach Out and Read** - Reach Out and Read is a parenting and early literacy program that helps children be ready for kindergarten by partnering with doctors to prescribe books and encourage families to read together. Doctors, nurse practitioners, and physician assistants incorporate Reach Out and Read's evidence-based model into well-child checkups from ages 6 months through 5 years.
- ◆ For more information on how you can become involved in these worthy projects, please visit our website at www.NewportHospitalAndHealth.org
