THE GREATEST GENERATION PHOTO CONTEST: RULES AND PERMISSION

River Mountain Village Advanced Care (RMVAC) is opening this summer, and we want YOU to help us decorate with historical photos of early life in the Pend Oreille River Valley! We encourage photos of life in the early 1900s through the 1960s, with special consideration given to photos taken during the years of World War I and World War II. All photos chosen to hang on the walls will give appropriate credit to the donor and offer a short description of the photo's subject matter and approximate year it was taken.

All historical photos entries must include the following information:

Description / Subject (who's in the photo?) _____
When was it taken (approximate year is ok)? _____
Where was photo taken? _____
How did you get the photo? _____
Do you know who took the photo? Yes No If yes, who? _____

Options for submitting historic photo entries:

In person - We will scan the photo for you and return the original! Stop by or make an appointment with the Foundation Office (M-Fri, 8AM – 4:30PM) beginning April 1 through May 15, 2019.
