Foundation Receives \$10K Endowment Grant

NEWPORT – In October Newport Hospital and Health Services (NHHS) Foundation received a surprise \$10,000 grant from the Bobby Elizabeth Endowment Fund at Innovia Foundation. Grant funds are to be used for general operating support as recommended by the donor advisor for the fund.

“This came at the perfect time,” said Marketing and Foundation Director Jenny Smith. “Recently the Foundation Board voted to support the new 3D Mammography project with \$75,000 from our general fund, and this grant will support our pledge.”

About Innovia Foundation

Innovia Foundation is a community foundation that connects donor generosity to the region’s most pressing causes. We collaborate with partners to drive community transformation across Eastern Washington and North Idaho. We work together to address and solve our regions’ problems, help those in need, identify and respond to our region’s greatest opportunities and leave a lasting impact. The community foundation currently manages over 500 funds valued at over \$130 million and has awarded over \$75 million in grants and scholarships since its inception. For more information on Innovia Foundation and its impact in the community, please visit www.innovia.org.
