KCB Construction foursome at the 2022 Fore! the Health of It! Golf Tournament

Newport Autumn Bloom 5K/10K Race - 2022 Female 10K Winners

*Newport Hospital and Health
Services Foundation
2022 Annual Report*

2022 HIGHLIGHTS

Newport Hospital & Health Services Foundation

- The *Annual Iron Sommelier & Brewmaster Event* was cancelled in 2022 due to continued increase in local COVID-19 infection rates.
- The *15th Annual Fore! the Health of It! Golf Tournament* teed off at Highland's Golf Course in June, raising over \$26,400.
- Our *Reach Out and Read* program continues to support pre-kindergarten literacy at Newport Health Center with free brand new books during well-child exams. Through this program we were able to award many of our community's children with new books all year!
- Innovia Foundation awarded NHHS Foundation with a \$10K grant through the Bobby Elizabeth Endowment Fund. These funds will be used to support perinatal services at Newport Health Center and Newport Community Hospital.
- The *Healthy Kids Snack Bags* program kicked off the 2022/23 academic year in October. Hospital staff, Foundation volunteers, and school staff members packed and delivered around 200 bags each week! It's their support and helping hands that make this program manageable for our extended community. In addition, many hospital and school staff members donated funds through payroll deduction to support the program. Payroll deduction donations (NHHS staff, Newport School District and West Bonner County School District) accounted for over \$10,000 in 2022.
- The Foundation's November board meeting officially welcomed Merry-Ann Keane, CEO, as the new Foundation President and thanked outgoing CEO and Foundation founder, Tom Wilbur, for his service, devotion and contributions to the Foundation since 2008.
- In December, the *2022 Festival of Trees* unveiled a new and improved version of the event with a sold-out gala event at the Priest River Event Center, complete with dancing, live auction, silent auction, and prime rib dinner. In addition, raffle ticket sales for the lavishly-adorned prize trees were extended for an additional week to allow the community to view the trees across Pend Oreille and West Bonner counties.

Coordinated Care proved that golf IS fun at this year's Fore! the Health of It Golf Tournament.

Newport High School's Cross Country team placed several runners in this year's Autumn Bloom 5K / 10K Run.

The Kalispel Tribe of Indians and Kalispel Casino sponsored two trees in 2022. This one came with a Traeger!

TOTAL	\$ 57,764

Number of Volunteers in 2022: 133

NEWPORT HOSPITAL & HEALTH SERVICES FOUNDATION

Contribution summary...a few of our projects!

HEALTHY KIDS SNACK BAGS...\$267,172 (2012 - 2022)

Since 2013, this weekly snack bag delivery has supported children throughout schools in Cusick, WA; Oldtown, ID; Priest River, ID; Priest Lake, ID; and Newport, WA.

REACH OUT AND READ...\$11,852 (2015 - 2022)

In 2015, Dr. Geoff Jones spearheaded this project to promote pre-school literacy. Children (birth to age 5) receive new books during their well-child visits. In 2016, the Foundation dedicated the reading-friendly *Children's Literacy Corner* at Newport Health Center to NHHS primary care providers who champion children's literacy efforts every day.

CUSTOM NHHS BENCHES ...\$4,308 (2022)

In 2022, the Foundation approached Kalispel Metal Products (Cusick, WA) to create five custom NHHS benches. We were incredibly grateful that the Kalispel Tribe of Indians supported our request with a significant discount. The benches have been a welcome addition to the campus and enjoyed by staff and visitors alike.

NHHS EMPLOYEE HIGHER EDUCATION SUPPORT...\$15,000 (2017 PLEDGE; \$9,250 USED)

We proudly support a tuition assistance program to benefit employees seeking advancement in healthcare careers through higher education attainment. Healthcare careers are in high demand and positions are difficult to fill. This program allows current employees to pursue their degrees/certifications with the promise that they will continue to work at Newport Hospital and Health Services for a specified time following their degree/certificate completion.

ORTHOPEDIC SURGERY ALLOGRAFT FREEZER...\$8,604 (2018)

The addition of this specialized freezer allows NHHS Surgery Department to effectively store tissue grafts at -80 Celsius. These grafts are used to repair orthopedic injuries and tears. The tissue can be stored in the allograft freezer long term and protects viable cells even if a surgery is cancelled or rescheduled.

TOUCH SOURCE WAYFINDING SYSTEM...\$13,275 (2020)

The District received a new digital wayfinding system for the main hospital hallway. This system allows guests to access department locations, campus maps, jobs available, and event information.

RESIDENTIAL CARE SUPPORT...\$16,367 (2019 - 2020)

In 2020, the Foundation received a communication infrastructure grant through Innovia Foundation's COVID-19 Community Response and Recovery Fund - Eastern Washington. In an effort to support residents' ability to connect with families and healthcare providers, we purchased 20 tablets, headphones, two large smart televisions and telehealth licenses. Additional support for residential care services purchased lifts and a wheelchair scale.

3-D MAMMOGRAPHY UNIT...\$75,000 (2020)

The Foundation supported the purchase of a new 3-D mammography unit to replace the digital mammography unit currently in place. 3-D Mammography services kicked off in 2020.

FAMILY BIRTH CENTER REMODEL...\$40,000 PLEDGE (2021)

The Foundation pledged support to remodel our Family Birth Center's labor and delivery rooms. The "facelift" work will continue in 2023.

TOTAL FOUNDATION CONTRIBUTIONS 2008-2022 = \$ 442,821.00 (REFLECTS FUNDS SPENT)

3D Mammography joined our patient care profile in 2020 thanks to significant support from Foundation donors and events!

Allograft Freezer for Orthopedic Surgeries

Elementary school child proudly carrying his weekly snack bag! Your continued support for this program has impacted local children for more than a decade.
