2024 Annual Report***

2024 HIGHLIGHTS

Newport Hospital & Health Services Foundation

- The **Annual Iron Sommelier & Brewmaster Event** raised over \$40,000! 2024 winners included Iron Brewmaster Brandon Hawkins of Timber Town Beer Company, and Iron Sommelier Josh Midkirk with Hayden Beverage.
- The **16th Annual Fore! the Health of It! Golf Tournament** teed off at Highland's Golf Course in June, raising \$28,575. This event occurs annually on Father's Day Friday.
- Our **Reach Out and Read** program continues to support pre-kindergarten literacy at Newport Health Center with free brand new books during well-child exams. Through this program we were able to award many of our community's children with new books all year!
- The **Healthy Kids Snack Bags** program kicked off the 2024/25 academic year in October. Hospital staff, Foundation volunteers, and school staff members packed and delivered around 250 bags each week! Many hospital and school staff members donated funds through payroll deduction to support the program. Community and payroll deduction donations (NHHS staff, Newport School District and West Bonner County School District) accounted for over \$14,000 in 2024.
- The **Residential Care Services** fund continues to allow fundraising proceeds to assist with new equipment and programs at River Mountain Village Assisted Living and Advanced Care. The **NHHS Pantry** provides nutritional support to staff experiencing food insecurity... it's another way we take care of our own, especially during lean times. The pantry has proven to be important, as it was utilized often throughout 2024.
- In December, the **2024 Festival of Trees** returned to the one-day event with the prize trees in attendance in the Ponderosa Ballroom at Newport Hospital and Health Services. The free daytime activities were followed by a festive gala, which included a delicious prime-rib dinner, mini-tree silent auction, and winners for the raffle trees were drawn and announced. Proceeds for the event totalled \$34,472!
- In October, the board welcomed Joseph Clouse, Chief Administrative Officer, as the new Foundation President.

Contribution summary...a few of our projects!

HEALTHY KIDS SNACK BAGS...\$342,660 (2012 - 2024)

Since 2013, this weekly snack bag delivery has supported children throughout schools in Cusick, WA; Oldtown, ID; Priest River, ID; Priest Lake, ID; and Newport, WA.

NEWPORT COMMUNITY HOSPITAL FAMILY BIRTH CENTER SUPPORT...\$81,659 (2023 - 2024)

In 2024, the Foundation purchased two new infant warmers; these state-of-the-art units have all the necessary tools and equipment in one place for more precise and efficient care. The Foundation also purchased a new infant vein finder as well as a hospital grade breastpump kit.

In 2023, the Foundation funded a makeover of labor and delivery suites in our Family Birth Center, including updated decor, new labor partner furniture, new countertops, and fresh paint.

ACUTE CARE QUIET ROOM & CARE CARTS ...\$5,000 (2024 PLEDGE; \$1,475 USED)

In 2024, the Foundation provided support to convert an office into a serene, quiet space for people who are visiting dying patients. This room also provides a comfortable, quiet space for meetings with families. The Care Carts are filled with personal care items for these patients, as well as healthy snacks and coffee for their visitors.

NEWPORT COMMUNITY HOSPITAL STERILE PROCESSING SAFETY PROJECT...\$92,600 (2023)

In 2022, NHHS Foundation received the Empire Health Foundation Rural Facilities Capital Grant, which allowed us to support the purchase of a new sterile processing washer in our Surgery Department.

REACH OUT AND READ...\$12,991 (2015 - 2024)

In 2015, Dr. Geoff Jones spearheaded this project to promote pre-school literacy. Children (birth to age 5) receive new books during their well-child visits. In 2016, the Foundation dedicated the reading-friendly *Children's Literacy Corner* at Newport Health Center to NHHS primary care providers who champion children's literacy efforts every day.

CUSTOM NHHS BENCHES ...\$4,308 (2022)

In 2022, the Foundation approached Kalispel Metal Products (Cusick, WA) to create five custom NHHS benches. We were incredibly grateful that the Kalispel Tribe of Indians supported our request with a significant discount.

NHHS EMPLOYEE HIGHER EDUCATION SUPPORT...\$15,000 (2017 PLEDGE; \$9,250 USED)

We proudly support a tuition assistance program to benefit employees seeking advancement in healthcare careers through higher education attainment. This program allows current employees to pursue their degrees/certifications with the promise that they will continue to work at Newport Hospital and Health Services for a specified time following their degree/certificate completion.

3-D MAMMOGRAPHY UNIT...\$75,000 (2020)

The Foundation supported the purchase of a new 3-D mammography unit to replace the digital mammography unit currently in place. 3-D Mammography services kicked off in 2020.

NEWPORT HOSPITAL & HEALTH SERVICES FOUNDATION

3D Mammography joined our patient care profile in 2020 thanks to significant support from Foundation donors and events!

The new and much improved infant warmers were a welcomed addition to the Family Birth Center.

The new Getinge 86-series sterile processing washer allows the Surgery Department to sterilize more surgical instruments faster.
